Downloading Your Planner

The PDF will open directly in Safari.

You should click on the share button in the right hand corner and select GoodNotes and import! I've also provided you with a GoodNotes file.

3

Stickers

You have 2 options. 1. Use the precropped PNG files and download them to your tablet photo album. 2. Use the stickers located in the GoodNotes file to add them to your journal directly

Use the lasso tool  to select stick and copy and paste it anywhere in the journal. BONUS TIP: You can also use the lasso tool on the journal prompts to screenshot them into the journal pages.

4

Duplicating

Need more pages? Look in the right-hand sidebar. Click on the  under the page you want to duplicate! Simple as that! You can also delete a page like this!

Hyperlinks

Hyperlink tabs only work in Read-Only mode. Make sure the icon in the top right corner looks like this 

Make sure the icon looks like this to write or type on your journal.
